***...Together we achieve.....Cyflawni gyda'n gilydd...***

Friday 04<sup>th</sup> October 2024

Annwyl Rhieni

Another week has flown by here at Frongoch and the pupils have been very busy with various activities over the course of the week. The weather has been much improved at the end of the week and this has allowed for us to make the most of the outdoor environment.

### **Playtime donations**

We are looking at improving the provision for the children at playtimes and received some Professional Development which we are beginning to put into use. As part of improving playtimes and generally improving our outdoor areas, we would **like to ask for donations of the following please:**

- Plastic guttering
- Pallets
- Tarpaulin [and ropes for the tarpaulin]
- Any other suitable items which can be used for the children to construct/ build

Thanks in advance- and please speak to us at the office if you're unsure if the item is suitable or not!

### **Parent/carer workshops**

In the weeks leading up to the Half term break we are going to be hosting Parent/carer workshops which will be aimed at helping Parent/ carers to support their child's learning with:

- Reading strategies
- Maths – how we teach the 4 number operations
- Online safety

### **Macmillan Coffee morning and Hello Yellow day**

It was great to see so many parents/carers, friends and family members at our Macmillan coffee morning, supporting such a worthy cause. A huge £141.50 was raised! Thanks to everyone who contributed and came to listen to their child/ren read.

Money is still coming for Hello Yellow and at the time of writing £140 has been raised! Again, huge thanks to everyone who donated to this fantastic cause.

### **Vale of Clwyd cross country competition**

We took our cross country team to the Vale of Clwyd cross country competition this week and many of the team managed to qualify for the Denbighshire County cross country competition by finishing in the top 20! Well done to all who took part and thanks to all parents/carers who came to support the children.

### **Bikeability**

Our second Year 6 class managed to complete their Bikeability course this week and it was great to hear such positive feedback about the children's behaviour, as well as their actual cycling skills. Da iawn pawb.

### **WOW Walk to school programme**

We are once again participating in the WOW Walk to School Programme. This enables children to earn badges for walking, cycling or scooting to school during the academic year. If your child walks, scoots or cycles to school at least once a week they are able to achieve the award badge. Please can we encourage as many as possible to strive for a badge in the coming months.

With very best wishes

*Dylan Thomas*
