Friday 11<sup>th</sup> October 2024

Annwyl Rhieni

It has been a busy and fruitful week here at Frongoch. We have 2 weeks left before the half term and it is vitally important that attendance remains a priority for each child to ensure they make the most of their time here at school.

This week, we have seen an increase in the number of children arriving late for school. Please remember that we start at 8.45am here at Frongoch and it's imperative that everyone is here ready to learn by this time, allowing them all to start the day in a positive and calm manner.

### **Parent evenings**

Next week we have our Parent evening sessions where your child's progress will be discussed. If you have not already booked a time slot please do so as there is an expectation on all parents/carers to come in and discuss their child's achievements and areas to develop.

### **Parent/carer workshops**

The following 3 Parent/carer workshops have been arranged on the dates and times below. Parents/carers who attend are welcome to collect their child/ren at the end of the workshop. The aim of the workshop/s is to inform Parents/carers of what we do here at Frongoch in the particular areas and to also give helpful hints and tips for parents to help support their child/ren's learning/ safety at home.

- Online safety- Monday 21<sup>st</sup> October 2.15-3pm
- Reading- Tuesday 22<sup>nd</sup> October 2.15-3pm
- Maths- Wednesday 23<sup>rd</sup> October 2.15-3pm

We will arrange further workshops during the course of the year and we hope to see many parents/carers attending the above workshops. *Please note the workshops are intended for the sole purpose as stated above and is not an opportunity to discuss any other school related matters. If you do have anything you wish to discuss with the school, then please follow the usual route of contacting the school office.*

## **Girls URDD Football tournament**

Next week, our Girls football team will be taking part in the URDD football tournament- we wish them all the best and we will find out how they do next week.

## **Denbighshire County Cross Country competition**

We will be taking 4 members of our Cross Country team to the County Finals next Wednesday. The four children finished in the top 10 in the Vale of Clwyd competition and as a result they have progressed to the County competition. We wish them all the best for next Wednesday! Da iawn chi!

## **Autumn film evening**

Friends of Frongoch are organising a Film evening on Thursday 24<sup>th</sup> October between 4pm and 6pm. Children are encouraged to wear costumes and they will be given a choice of four age appropriate films to watch. During the interval, the children will be able to have choice of hot dog, drink and crisps. The price for this will be £3.50. The children will not need any further money.

## **Harvest Donations**

Once again this year, for our Harvest celebrations, we are supporting our local Food Bank. If you are able to donate any of the following food items then please do so and leave them in the box by the front door. A member of Denbigh Food Bank will then collect the items when the box is full. Many thanks in advance for your kind donations. Here is the list of items which will be of most benefit to Denbigh Food Bank:

### **Denbigh Food Bank**

- Tinned fruit [400g]
- Fruit juices
- Tinned Tomatoes
- UHT Milk [1litre]
- Tinned potatoes or packets mash
- Coffee
- Sugar
- Noodles
- Biscuits
- Pasta sauces

## **Car park safety reminders**

It has been brought to our attention that some people are parking on the Zebra crossings in the parent car park, to the side of the school. Please can we remind parents/carers not to park on the Zebra crossings as this obviously poses a higher risk for children and other members of the public who use the Zebra crossing to cross the car park. We have asked Denbighshire County Council/Police to increase their presence in the area at specific times. Many thanks in advance for your continued support in helping to keep everyone safe.

## Music Workshops

This week most of the peripatetic music lessons have started back in school and it has been good to see so many children who have signed up to learn an instrument. If your child expresses an interest in learning an instrument then you can contact Denbighshire Music Cooperative directly for further information.

Today, Friday, Year 3 had a P-Buzz workshop delivered by Mr Aled Williams from Denbighshire Music Cooperative. The children enjoyed learning the technique for creating a sound through the mouthpiece and were able to collectively perform a song together under Mr Aled's guidance.

With very best wishes

*Dylan Thomas*
