Governors' Allowances

This policy is based on the Governors Allowances (Wales) Regulations 2005, which makes provision for allowances to be paid to governors and non-governor members of committees by the governing bodies of maintained schools which have delegated budgets.

Payments may only be made in respect of expenditure necessarily incurred by a member of the governing body for the purpose of enabling him or her to perform his or her duty as a governor or as a member of a committee of the governing body.

Under normal circumstances, the Governing Body of Ysgol Frongoch has agreed not to reimburse governors for carrying out their roles and responsibilities. However, in exceptional circumstances, if the Governing Body agrees to pay expenses, travel and subsistence expenses must be paid at a rate not exceeding that specified by the Welsh Assembly Government in regulations made under section 100 of the Local Government Act 2000. (These are the rates used to reimburse expenses to elected members of local authorities in Wales).
