Friday 31ST January 2025

Annwyl Rhieni

I have had the pleasure of being in all classrooms this week as part of our monitoring activities. It has been great to see the progress the children are making in so many areas of the curriculum. Further details regarding this will be in this months' Monthly Newsletter.

Updating contact details

Please can parents/carers contact us at school if any of their contact details have changed recently. This includes address, home/ mobile phone numbers and also if anyone else's contact details have changed who we have on record to contact in the event of an emergency and so on.

URDD Netball Tournament

Next week, Mrs Cooke will be taking a girls' team to the URDD Netball tournament. We wish the girls all the best and look forward to hearing how well they do next week! Pob lwc!

Open Afternoon

This afternoon Year 3 have held a 'Showcase Afternoon' to give parents and carers the opportunity to see what they have been up to in school in recent weeks. The children were able to share with adults the puppets, computer graphics, t-shirt designs and poems that they have been busy creating during January. Thanks to all who were able to attend. For those who couldn't, the children will be sharing their creations on Seesaw.

Upcoming trips

As you are aware by now, most year groups have communicated with you about trips/ residential for your child's year group. Please ensure that deadlines are met in terms of confirmation and/or payment as we have to keep to external providers deadlines ourselves. Rest assured that all trips/ residential have been planned to reduce cost as much as possible and to fit in with the year groups' learning. Please note that we will not be able to run any trip/ residential at a loss and therefore deadlines for payment will need to be met. If they are not it might mean that the trip/ residential will not go ahead as planned.

With very best wishes
