...Together we achieve.....Cyflawni gyda'n gilydd...

Friday 21st March 2025

Annwyl Rhieni

We have had a busy week again at Ysgol Frongoch with Parent Evenings and various activities taking place all week.

Please note that next Friday, 28th March, is a Teacher Training day and that school is closed for all pupils. We return, as normal, on Monday 31st March.

Parents evening and Mid-year reports

It was fantastic to see so many parents/ carers attending their child's Parent Evening this week. It was an opportunity for parents/ carers and teachers to discuss their child's progress and agree on next steps in their child's learning.

During the remaining term and a half at school your child will be working hard to achieve these targets and continuing to make progress in all areas of the curriculum. During the evening sessions there was an opportunity for parents/carers to share feedback with the school in 2 areas:

- What is the school doing well?
- What does the school need to improve at?

A link to a survey with the same two questions will be within the email containing this newsletter- please feel free to complete anonymously as we are always looking for suggestions about how to improve what we do here at Frongoch.

Parent Workshop in collaboration with Llandrillo College

This parent workshop will be running every Monday for the next 9 or so weeks and the focus for this block of parent workshops is 'helping my child to read' and will also allow parents/carers to discuss other ways of supporting their child's education. To sign up, please contact the office on the above details.

Comic Relief 2025

Today we have had Comic Relief and it has been great to see pupils coming in either 80s style clothing or dressed as an 80s character, all in the name of fun to raise money for a worthy charity. We will share the total raised in next week's newsletter.

Urdd Rugby tournament

This week Mr Sivill took our mixed rugby team to the Urdd contact Rugby tournament in Ruthin. As always, the team performed and represented the school exceptionally well during the whole tournament. Da iawn pawb!

With very best wishes

Dylan Thomas

Pennaeth / Headteacher
