January 09th 2026

Annwyl rhieni

Blwyddyn Newydd Dda! Happy New Year! It has been great seeing everyone return this week and sharing the memories they have made over the festive period. The weather is proving to be as unpredictable as ever and I would like to thank all parents/carers for their support this week.

School Priorities 2025-26

This year we have 3 main school priorities:

- To develop the independence of pupils, allowing them to apply their skills across the curriculum.
- Ensure teaching challenges pupils of all abilities across all areas of the curriculum.
- Develop pupils' Welsh speaking skills, particularly higher up the school to work towards T2.

Adverse weather

As we have seen already this week, the weather at this time of year can cause some challenges to everyday life.

We will always try to ensure Frongoch remains open, whatever the weather/ situation. However, if for any reason we need to close the school we will aim to do this as early as possible to allow as much time as possible for parents/carers to make arrangements for their children.

If we were to close then the decision would be cascaded to local media. However, the first place for parents to check is Denbighshire County Council's web page and this will show which schools in Denbighshire are closed.

We would also attempt to make contact with parents/carers via our Seesaw app. To this end, we would ask all parents/carers to please ensure you have your Seesaw app up to date on your mobile device/s. Please note that we will not always be available to answer telephone calls and/or emails and would ask parents/carers to follow the advice above to check if the school is open.

School Crossing Patrol

Ella, our School Crossing Patrol Officer, has now left her position. We wish her all the best for the future and thank her for her work over the last few months in helping our children cross the road safely before and after school.

The Local Authority are in the process of hopefully recruiting another School Crossing Patrol officer.

Please note that this is likely to take some time and they advise children and parents to take extra care when crossing the road in the meantime.

Updated contact details

Please update contact details if they have changed. These details include:

- Change of address
- Change of phone number/s
- Change of who to call when school needs to contact parent/carer

Please can we ask that parents/carers inform the office if any of these contact details have changed. Many thanks as always for your co-operation.
