Cylchlythyr wythnosol – Weekly Newsletter

September 18th 2026

Annwyl rhieni

Ysgol Frongoch has been a hive of activity this week and it's great to see everyone working well in all areas of school life. In this week's Newsletter there are several dates and opportunities for parents/ carers to visit the school as we are increasing the amount of Parental Workshops and Drop in sessions this year. This is something which we have planned for and we hope that during the year to increase the amount of external agencies who will be available to join us during some of these workshops/ drop in sessions.

School Priorities 2026-27

This year we have 3 main school priorities:

- To develop Pupils Numeracy skills across the curriculum.
- Develop Pupils creative skills to ensure they are ready to play a full part in life and work.
- Develop Pupil Voice to ensure positive impact on pupils' learning.

Macmillan Coffee Morning

As always, we will be supporting this very worthwhile cause again this year. Parents/ carers family members are welcome to join their child/ren next Friday, 25th September for a 'paned a cacen'. We also encourage you to listen to your child read during this session as part of our drive to continually improve Reading standards. Please could we ask parents/ carers of year 3 and 4 children to arrive between 9am and 9.30am and parents/carers of year 5 and 6 children to arrive between 9.30am and 10am. We understand this is not always convenient but as we have such a good turnout every year staggering the numbers helps us to ensure the event runs smoothly and is enjoyable to all.

ALNCO drop in sessions

This year our ALNCO, Ms Gregory, will be available for drop in sessions for parents/ carers to come in and discuss informally any concerns you may have regarding your child's Learning needs. The first session is on Thursday 1st October between 1pm and 2pm. Please contact the office if you would like to book a session.

Parent information evenings

Thanks to everyone who attended the parent information evenings this week. We have sent the power point which the staff used as prompts to parents/carers today as well so that parents/carers who were not able to attend can be familiar with what was discussed.

Termly overviews

This week we have also emailed out the termly overviews for each year group so that parents/carers are better informed in terms of what your child/ren will be learning about this term. Termly overviews are co-constructed between staff and children and allows for the curriculum to be relevant, purposeful and engaging for all.

Nurture Drop in sessions

Mrs Gwen, our nurture lead here at Frongoch, will be hosting parent/ carer drop in sessions this year. The first drop in session will be shared soon. These sessions are for parent/carers who want to know more about what support is available here at Frongoch, with a focus on our Nurture provision.

H+W workshop date- focus of sleeping

Mrs Cooke, our Health and Wellbeing lead, is hosting a Health and Wellbeing workshop on Thursday 15th October between 9am and 10am. The focus is on Sleep and Hygiene and members of the pupil senedd will be helping Mrs Cooke deliver this session. This year, we are focusing heavily on the current and very important matters which impact on everyone's, including our children's, Health and Wellbeing. Sleep and Hygiene have always been important and recently we aware of how modern life can sometimes get in the way of ensuring good sleep and hygiene habits and routines.

The focus of these sessions will be to look at practical solutions and it is also an opportunity to discuss/ advise on sleep and hygiene matters.

Works update

As you are already probably aware, we have had further works being completed onsite this week. The rotten wooden fence by the year 3/ 4 outdoor learning areas will hopefully be fully replaced by the end of today. Many thanks as always for your patience and understanding when having to use the other playground gate during the works.

Attendance

Attendance remains a priority for Frongoch and we will share our target school attendance and also our current attendance here
